

40% How Families in Sydney NSW ARE REDUCING THEIR DENTAL COSTS BY UP TO WITH OR WITHOUT HEALTH / EXTRAS INSURANCE

WHICH DO YOU FEAR MOST ?

The cost of your families visit to the dentist

OR

the dentists' drill

SORRY WE CAN'T HELP WITH NUMBER 2 BUT THERE IS A FANTASTIC SOLUTION TO REDUCING YOUR FAMILIES DENTAL COSTS.

HOW DO YOU SAVE MONEY ON YOUR FAMILY TRIPS TO THE DENTIST?

Families in the UK, Europe and USA, have been saving a fortune on their dental treatments FOR YEARS

Finally the dental plans that have been using to save with are here and they are saving SYDNEY families a fortune too.

WHY DENTAL PLANS WORK

It is plan where 1000s of professional dental clinics, surgeries and hospitals agree to reduce their fees and in return they get many more savvy customers that are fed up with paying a fortune for their dental work.

WHAT SAVINGS CAN I EXPECT

Lets look at some typical savings members have, **bear in mind these savings are for one member - one visit to the dentist** a typical family of four going to the dentist every 6 months will save much much more.

HOW DO I ACCESS THESE SAVINGS.

USUALLY FAMILIES ACCESS THESE SAVINGS FOR ONE \$97 PER YEAR.

BUT WE HAVE A LIMITED SPECIAL OFFER - GET THESE SAVINGS FOR JUST **\$48.50 / YEAR FOR THE FIRST TWO YEARS**

What you need to do to start saving immediately with no waiting periods, no treatment exceptions and no further monthly payments

visit: www.findemergencydentist.com.au/sydney

From there follow the links to find your local dentist and access the two years for price of one special offer while it is still available.
